2. [REDACTED] CONSTITUENT Mary, from the Los Angeles office of Representative Robert Dornan (R., Calif.), called on behalf of a student, constituent who would like information on how industrial nations get natural resources from underdeveloped countries. Mr. Dornan's office on the Hill had suggested Mary call us. I suggested she urge the student to consult his own library facilities and indices, and that the Congressional Research Service of the Library of Congress might help. I explained that whatever we might have would be classified, and therefore, not available to the student; she agreed. She was grateful for the advice.

3. [REDACTED] BRIEFING Wayne Smith, staff member of the House Merchant Marine and Fisheries Subcommittee on Oceanography, spent two hours at Headquarters with [REDACTED] OER, discussing the outlines of a briefing of Subcommittee Chairman, John Breau (D., La.). The briefing will probably occur in late April. 25X1

4. [REDACTED] LIAISON Roseann Tully, of the office of Representative Austin Murphy (D., Pa.), returned my call of yesterday, and I advised her of the recent letters to the DCI and George Cary, OLC, from [REDACTED] with allegations about an Agency employee, copies of which [REDACTED] said he was sending to Mr. Murphy. I said that we were looking into this, and would hope that Mr. Murphy's office need not be involved. She was grateful.

5. [REDACTED] ADMINISTRATIVE-DELIVERIES
Delivered to Charles Snodgrass, House Appropriations Committee staff, the completed transcript of the 30 and 31 March hearings on CIA budget. All supplemental answers were supplied with the transcript, with the exception of answers to issues raised on a sensitive project.

Per agreement with the House Appropriations Committee, this response will be provided by 23 April, after review of the Surveys and Investigations of the project.

6. [REDACTED] LIAISON At the request of Mr. Charles Snodgrass, House Appropriations Committee staff, I arranged transportation for Snodgrass and Ralph Preston, for lunch with DCI Turner on 13 April, 1977.

7. [REDACTED] LIAISON In response to his earlier inquiry, informed Bill Hogan, House Armed Services Committee staff, on the John Stockwell, a former Agency employee, piece in the Washington Post this Sunday, that as he well knows there is a series of issuances by various Directors informing all employees to inform either the Director or Inspector General of any Agency actions involving any information which came to their attention involving possible improprieties or illegalities, and this would certainly include hiding files from congressional or any other appropriate investigation; that the Agency had cooperated

10. [REDACTED] LIAISON Met with [REDACTED] Office of Technology Assessment (OTA) staff, to discuss possible briefing for the Technology Assessment Board of OTA on Technology Transfer. This briefing was offered by Admiral Turner to Senator Edward M. Kennedy, (D., Mass.), Chairman of the Technology Assessment Board. [REDACTED] will consult with Senator Kennedy early next week on a schedule for the briefing. (See Memorandum for the Record.)

11. [REDACTED] LIAISON Received a call from Craig Pettibone, Civil Service Commission. He stated that the Commission will be reversing its policy and will now allow CIARDS annuitants reemployed in Government to be eligible for Civil Service retirement benefits. He gave me a rundown of the leading Supreme Court case and other decisions under which a retiree may elect to credit all Federal service for benefits under one retirement program and waive all rights to any benefits under another to which he is entitled. It was his opinion that CIARDS annuitants can elect total recomputation for benefits under the Civil Service system. (See Memorandum for the Record.) I expressed my appreciation for his call and informed him that our Office of General Counsel will be making a legal decision on the question of waiver.

12. [REDACTED] LIAISON Received a call from Rick Grawey, House Government Operations Subcommittee on Manpower and Housing staff, advising that the Civil Service Commission has reversed its policy and CIA annuitants reemployed in Government will be eligible for Civil Service retirement benefits. He hoped that the Commission will formalize its decision as soon as possible and urged that the Agency expedite its handling of those cases that will benefit from the decision. I expressed appreciation for his efforts and personal interest on behalf of our retirees.

13. [] LIAISON Accompanied [] OER, to a meeting with Richard Kaufman, Joint Economic Committee. [] covered with Kaufman various subjects on which the Agency could brief the Committee and Kaufman was interested in the possibility of a briefing for the Committee on the current international oil situation. He also expressed interest in more regular access to Agency publications.

25X1

I raised with Kaufman the subject of Senator William D. Proxmire's (D., Wis.) letter to Admiral Stansfield Turner of 4 April requesting data on CIA's efforts in the economic field. I explained that the information which he requested was that normally provided only to our oversight committees. After considerable discussion on how to satisfy the Committee's interests, as well as protect the Agency's interests, we tentatively agreed to supply the Committee whatever unclassified information we could and direct the remainder of the answers to Senator Proxmire in his capacity as a member of the oversight subcommittee of the Senate Committee on Appropriations.

14. [] ADMINISTRATIVE - DELIVERIES Delivered to Audrey Hatry for Elliot Maxwell, Senate Select Committee on Intelligence staff, a November 1971 letter from President Richard Nixon to Richard Helms and a November 1971 memorandum from President Richard Nixon on the organization and management of the U. S. Foreign Intelligence Community.

25X1

15. [] ADMINISTRATIVE - DELIVERIES Delivered to Alan Spence, Senate Select Committee on Intelligence staff, a letter to Senator Gary Hart (D., Colo.) from Admiral Murphy, D/DCI/IC, reporting on a follow up item from Admiral Murphy's 4 March briefing of Senator Hart on the NFIP budget. I asked Spence to be sure that the letter got to Tom Moore, also of the Senate Select Committee staff.

[]
Miller asked me for a complete report from the Agency on the Washington Post allegations about former Agency employee Edwin P. Wilson. Earlier, Mike Madigan, Minority Counsel, Senate Select Committee on Intelligence, had called me and asked for all Agency files on Wilson. I explained this to Miller. He said he thought there was no need at present for the Committee to examine Agency files but that they might want to do so after receiving the Agency's report.

18. [] ADMINISTRATIVE - DELIVERIES
Delivered to Dan Childs, Senate Select Committee on Intelligence staff, the corrected and sanitized copy of [] D/DCI/IC, 3 March testimony before the Subcommittee on Budget Authorization on the IC staff budget. I asked Childs to return this copy of the transcript to us after the Committee was finished and he agreed.

25X1

I also amended the Committee's copy of the 11 February briefing of the Subcommittee on Budget Authorization, Senate Select Committee on Intelligence, by insertion of a blind memorandum responding to the one remaining follow up item.

25X1

19. [] LIAISON Ed Levine, Senate Select Committee on Intelligence staff, said that he had prepared so many questions on covert action in connection with the Committee's 18 April briefing that he would like to talk to William Wells, DDO, beforehand to cover some of the questions. He hopes to be able to do this on 13 April. I told Levine I would check and let him know.

20. [] LEGISLATION Hilda Schreiber, OMB, called to say that OMB was sending over a package on amendments to the Hatch Act on which she would like our views by Friday. We had not received the package as of COB today.

21. [] LEGISLATION Received a call from John Metelski, from the Office of Telecommunications Policy at the White House. Mr. Metelski was responding to an OMB request for OTP comments on draft legislation which would permit foreign embassies to maintain mobile radio units under certain circumstances. Mr. Metelski asked whether there were any intelligence problems which OTP should consider in preparing its views to OMB. I told him that the Agency had already prepared comments on this draft bill and had sent them to OMB. I told him that our position was that any disadvantages were outweighed by the advantages of the legislation, and we therefore support the bill. Mr. Metelski concluded by saying that if the Agency ever found itself in a squabble relating to telecommunications that we should let him know because maybe he could help us.

25X1

22. [] LIAISON Advised Cindy Szady, in the office of Representative Lucien Nedzi (D., Mich.), that we would be in touch later on to set an appointment for the Director to pay a courtesy call on Mr. Nedzi. I explained that the schedule is getting pretty crowded and we would be back in touch most likely next week. She thanked me for calling.

25X1

23. [] LIAISON [] advised that he had confirmed Monday, 18 April, for Admiral Turner to meet with Senator Milton Young (R., N. Dak.). This is a courtesy call visit.
